

Aslacton Primary School

Half Term ending Friday 22nd May 2026

Deputy's Message

If anyone knows where the last six weeks have gone, do let me know as I am not sure how we have arrived at the break before the final half term of the year.

This half term has seen the final planning for our Horstead Residential which begins on the first day back—do check the kit list and make sure you have packed everything! We advise that your child packs with you so that they can find their things when we are there. The weather currently looks a little mixed so do make sure a waterproof coat is packed just in case as all the activities carry on regardless.

We have also seen our Year 6s sit their SATs in the last week and we eagerly wait the outcomes later next half term. We are proud of the effort that we saw being put into answering questions over the 4 days. We are also proud of the way the rest of the school showed respect in their behaviours in school that week, keeping quiet in the corridor and having break when it fitted around the tests. Well done to all and a huge thank you to all the staff who make it possible for our pupils to be as ready and prepared as they can be for these assessments.

Coming up next half term we have our school trips, sports days, forest schools (dates to be confirmed), class photos, healthy schools week, cycling (Y4 and 6) and much more. Do check the dates page at the end of the newsletter.

Of course we also have the Friends big annual fundraiser—“FAMILY FUN NIGHT” coming up on 26th June—see poster . This raises a huge amount of money for our school and helps to provide coaches for visits and will be helping towards the cost of replacing our adventure playground. Please do support if you can, the committee have worked extremely hard to put this together, bring friends and family along too!

As usual our staff will be taking a well deserved break over the next week and will not be checking dojo or emails so please respect their time off too. Have a lovely break—enjoy the sunshine!
